
Passing Judgment Praise Blame Everyday Life

challenges in interpersonal behavior - marshall goldsmith - the 20 bad habits challenges in interpersonal behavior 1. winning too much: the need to win at all costs and in all situations. 2. adding too much value: the overwhelming desire to add our 2 cents to every discussion. 3. passing judgment: the need to rate others and impose our standards on them. 4. making destructive comments: the needless sarcasm and cutting remarks that we think
